Web Developer | Python & Django Specialist

Focused web developer specializing in Python and Django with proven expertise in building dynamic applications. Adept at developing robust back-end systems and interactive front-end interfaces. Committed to delivering user-centric solutions and thriving in collaborative, remote work environments.

EXPERIENCE

July 2025 – September 2025
Junior Web Developer Intern, ITshifts Technologies Islamabad
Gained hands-on experience in full-stack web development, with a focus on understanding applications using Ruby on Rails. Contributed to mobile app testing and quality assurance, strengthening my problem-solving skills and attention to detail while working in a professional development environment.

JULY, 2024 – AUGUST, 2024
PYTHON INTERN, AGT INSTITUE
Developed new features and fixed bugs in existing applications. Supported component integration, researched programming tools, resolved user issues, explored solutions for complex problems, pursued continuous learning, tested and refined code to ensure quality, and enhanced my skills through hands-on learning and collaboration. This experience strengthened my technical foundation in web development.

NOVEMBER, 2023 – JANUARY, 2024
CSR, AMIGOS
Handled challenging customer interactions with professionalism and empathy, provided accurate product and service information, and updated customer records in the database.

EDUCATION

SEPTEMBER, 2024 – PRESENT
B.S CS, FUI
I've recently started my Bachelors in Computer Science at Foundation University Islamabad.

2023
F.Sc, Federal Board
A grade in Fsc (Pre-Med).

SEPTEMBER, 2024 – PRESENT
Matric, FEDERAL BOARD
A+ grade in matric.
